This is a reminder to clubs that have not yet contacted us about scheduling field trial events at the River Bend site in Crow-Hassan Park Reserve. To assure your group reservation date, we recommend that you call the Reservations office soon to reserve your site.

To make your reservation by phone call the Reservations office at 763/559-6720. If you would like to e-mail the Reservations office a list of dates for your trials, please e-mail your list to swilde@thriversparkdistrict.org. Please remember that each club needs to make a reservation for their specific events.

Payment for the permit can be made by credit card; however invoicing is an option with payment due within five business days of the date the reservation is made. Use permits will not be issued until payment is received.

Each field trial group is allowed to use ONE car or pickup truck on the interior park road to transport water, dogs, and birds. The permitted portions of the road are marked on the site map. The following conditions apply:

- ONE vehicle at a time – no exceptions
- Vehicles are allowed on designated portions of road – off road driving is prohibited
- A violation of these terms can result in revocation of permit and/or denial of permits for future events
